Dear CSI members:

After appointing an auditor through her Order dated the 8th of September 2026, Hon'ble Justice Aarti Sathe of Bombay High Court heard all the remaining matters on the 26th and 29th of October 2026.

We have uploaded the Order. As you will note, it gives clear direction on the election schedule with the instruction that the election results will have to be announced on 31st March 2027. The elections will be held for all the posts of the Execom and the Nominations Committee. The Order specifies the tenure for each post, based on the provisions contained in our Constitution and ByeLaws.

The order requires the Three-Member Committee to carry out a validation exercise on the Membership database. A validation exercise has already been carried out in the months of June and July of 2023, utilizing the services of CDSL. At that time, 6936 Members had validated their membership data, including their e-mail id and mobile number. The Three-Member Committee will carry out the process of validating the remaining members.

The Three-member Committee will shortly be publishing the validation process on the website. For this purpose, we will be using the services of Chapter Office Bearers to get all their members validated. In addition, the Three-member Committee will be utilising the service of a BPO/Call Centre to communicate with members and get them to validate.

The Judgment specifies the period and the timeline for each step. The immediate need is to get the membership data validated. The Three-Member Committee requests your active support and involvement in this validation exercise, as well as in the election process.

The legal process is over and we are now embarking on elections so that CSI resumes its role under a new Leadership.

Season's Greetings and Warm Regards
