Statements of Intent

The training section of CSI Kolkata Chapter has been being looked after by me for more than a decade. Before that, as the founding Director of Asutosh College Computer Centre I had the opportunity of organizing the training to the college students for eight years or so. As the Joint Secretary to the West Bengal State Council of Higher Education, I took initiative to jointly organize 18 collaborative among the colleges, universities of the state in three years. Being associated with teaching, training and research for more than three decades, I have developed knack for such types of academic activities. I will dedicate my quality time for growth and development of CSI, in particular to Division V.
