Date: 06.11.2016

STATEMENT OF INTENT

For Regional Vice President (2017 – 2019)

If elected as **Regional Vice President (Region-I), CSI**, I would try my best:

1. To take effective steps for initiating massive membership drive in the **northern region** to bring it at par with **southern regions**.
2. To assist EXECOM in taking effective steps for the enhancement of qualitative standards, professional ethics in the CSI to bring it at par with other International Societies.
3. To assist EXECOM in taking necessary steps for strengthening CSI HQ and CSI Education Directorate and simultaneously making CSI HQ more prompt, effective, responsive to the members of the CSI.
4. To work as an effective interface **between** the Chapters & Student Branches of the Region **and** CSI EXECOM, CSI HQ & CSI Education Directorate.
5. To assist EXECOM in approaching appropriate authorities of Central and State Governments to provide consultancy by the pool of experts from the membership of CSI for drafting IT Road-map of the country for next 20 years and CSI to be considered as Nodal agency by the Government Departments for drafting IT Policy.
6. To assist EXECOM in taking effective measures for organising regular Certification Courses on the current technologies through Chapters and Student Branches which are **on demand** now and simultaneously take steps for the proper recognition of such courses by the Government as well as industries in the country.
7. To organise Academia-Industry interaction meets in the Chapters and Student Branches of the **Region**, explore getting support of industry leaders/ experts in providing training on current technologies to the CSI student members; and; also to explore organising CSI placement melas in the CSI Chapters and Student Branches to help CSI student members get better placements.
8. To encourage organising regular meets and activities relevant to the domains of different membership groups and give wide publicity of such initiatives through blogs, social media, whatsapp groups for larger participation of members.
9. To ensure better coordination between CSI HQ and CSI Educational directorate for the proper management of database of Professional (Institution/ Individual) / Student members and to get members promptly enrolled on receipt of applications and to get Web-Site of CSI regularly updated, make its visibility at par with other international professional societies and expand its knowledge base to make it information rich..
