Results achieved/Action taken</p> <ul style="list-style-type: none"> • Revived Jabalpur and Jaipur Chapters • Opened many new student branches in the region • Helped chapters and SBs in organizing many quality events • Included many life members

Statement of Intent

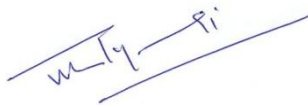

Statement of Intent :

If elected, I shall continue to work towards enhancing the quality of CSI programmes in the region and facilitating chapters and student branches for national/international collaboration for the benefit of CSI and its stakeholders, especially its young members.

I shall work forming new chapters and student branches in the region. I shall work to enhance the level and quality of interaction between academia and industry exploring various opportunities for joint research in the region.

I would contribute significantly towards human resources development. Using my experience of working with professional societies, I shall also try to enhance the image of the CSI in the region by hosting regional, national and international events at various chapters and student branches.

My special attention will be on membership development and strengthening the network of chapters and student branches so as build a vibrant community of IT professionals and researchers.
