** Give information in brief.(last 3 year)

Being an active member of CSI I have been supporting the student branches for their activities and promoting csi memberships for individual members . Many workshops were directly and indirectly supported by me and will continue to work for the mission and vision of CSI.

I will dedicate time to promote and reach the tier 2 cities for enhancing the CSI memberships.

Conducted 80 workshops all over India . supported the annual conventions of CSI by sponsoring by CDAC and sending good number of participation from my region.

Statement of Intent on how I L NARASIMHARAO intends to serve the Computer Society of India.

CSI is the only professional body which supports and conducts lot of activity for the student community. The back bone of CSI has been and will be the Students of India. The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India.

My Inspiration is from late Prof. D V R Vithal who was the first student branch coordinator of CSI India started in Hyderabad. When I was a student we never had any knowledge about professional bodies. CSI gave me many things in life I could meet the best of the best people ,learned how they have contributed to the growth of society .Now it is time for me to give back as much as possible since I am young.

I joined CSI in year 2005 when csi convention was in Hyderabad. Became an active member ever since. Joined the team Hyderabad as mc member for 3 years , took the Responsibility as Vice chairman of CSI Hyderabad Chapter in the year 2010-12and the chairman of Hyderabad Chapter 2012-13 . I am happy to inform you that We could turn the Hyderabad Chapter from a dormant state with Loans to an super active state with surplus funds conducting workshops every week to International Conferences in my tenure. I am happy to inform that in my tenure we could successfully increase the Institutional membership and student branches and made the presence of CSI in most institutions. I received lot of encouragement from People like late Prof. D V R Vithal ,T V Balan, Prof. B. L. Deekshatulu, Prof.Trimurthy, major Gen Bhagga and all my seniors at CSI India who have Blessed me to do more for csi. I am happy to announce that the senior members of csi Hyderabad chapter has been praising me for the kind of work and achievements that hyd chapter could achieve in the past 3years which could not be done in last 8 years. I am Thank full to my Team at Hyderabad chapter who have supported me to Conduct 50+ workshops and seminars including National and International events in and around Andhra Pradesh. Hyderabad Chapter has been activated and new energy is reinforced by me. My passion to work for CSI has to be taken to Nation/region/state wide and contribute more for CSI activities all Over the Country. My list of activities can be found at www.csihyderabad.org.

Keeping the Mission of CSI in mind I would like to conduct lot of Activities for the Industry and Student community .One event with the support of each chapter in state promoting the Divisional Activity and Promoting CSI and Penetrating into Student community. Collectively

working with other Divisions and support for any activity planned jointly. More activity in tier 2 and 3 cities to make CSI more visible, vibrant and improving the Membership base of csi India .

- Improving the count of IM's and SB's in the region.
- Guiding the old members to rejoin/Renewal CSI Membership.
- Conduct more and more Knowledge sharing sessions with Industry personnel
- Conduct workshops for student branches and members, join hands with the Government projects and extending the services to all CSI stake Holders

I wish to extend my services with Passion and take CSI to further heights.
