STATEMENT OF INTENT

The 'Computer Society of India' started its journey from 1965 in Kolkata as a non - profit, professional body where IT Professionals meet to exchange views and information, to learn and share ideas. 52nd Annual Convention of Computer Society of India CSI 2017 will be held at Kolkata in 2017. The year 2016-17 is expected to be celebrated with increased activities by expanding the membership from professional in IT related engineer/professionals as well as to induct more student members in CSI. Past Glory of CSI with the renowned professionals and vision should reach each professional in the country in order to share the experiences and best practices of Computing, IT and allied domains, to enable the Country as a whole to improve the quality of life.

Prof.(Dr.) Samir Kumar Bandyopadhyay holds dual PhD degree in Computer Science and Engineering from University of Calcutta(1989) and Bristol(2009) . Apart from serving as an eminent academician at the University of Calcutta, he has also held Vice Chancellor position at West Bengal University of Technology and Registrar position at West Bengal University of Technology and University of Calcutta. A senior member of IEEE and ACM, he has also served as the Regional Vice-President (East)(CSI), Sectional President(ISCA) etc. . His 35 years of research experience is studded with over 300 publications and book publications at both the national and international level.

Since I have the long experience in Administration as well as long teaching experience, I may be able to enrich CSI to a greater extent. If elected as Vice-President cum President Elect of CSI, I can do the following:

1. To encourage and motivate Professionals for CSI Membership
2. More activities in Regional Level as well National/ State level
3. To open more Chapters
4. Non-perming Chapters /Student Chapters to active Chapters/Student Chapters
5. activities jointly with professional bodies

(Prof. Samir Kumar Bandyopadhyay)
