

CSI Adhyayan

a tri-monthly publication for students

The Publication Committee of CSI is happy to announce the Publication of **CSI Adhyayan: a tri-monthly publication for students in electronic form**. The September-December 2015 issue is expected to be published in the month of November 2015 with the **Theme Cloud Computing**.

Besides, the other contents of the magazine shall be cross word, Brain Teaser, programming Tips News Items related to IT etc.

Articles and research papers are invited from student members within 2000 to 3000 words and authored as original text. Plagiarism is strictly prohibited.

Please note that CSI Adhyayan is a magazine for student members at large and not a research journal for publishing full-fledged research papers. Therefore, we expect articles should be written for the bachelor and master level students of computer science and IT and other related areas. Include a brief biography of Four to Five lines, indicating CSI Membership no., and for each author a high resolution photograph.

Please send your article to csi.adhyayan@csi-india.org latest by 30th Oct. 2015 for Sept-Dec. issue
