Statement of Intent on how the Nominee intends to serve the CSI

CSI over the past decade, since I was associated with the National ExecCom as the Chairman, Division IV, Business & Industry Division, has grown nicely and is now poised at a better technical and administrative level as we are observing. There is always a scope for taking new initiatives that can push our Society forward by using latest developments happening through out the world. In case, I am elected as the Divisional Chairperson (Division 1) - Systems, I shall deploy all my capabilities for the implementation of result oriented steps for organizing Technical activities on state of the art technologies at National and International levels alongwith other Institutions bearing common interests and shall have my special focus on promoting finishing schools and membership drive for making CSI a truly national society with largest membership base in its domain.
