

CSI-2015
50th Golden Jubilee Annual Convention
On
Digital Life
(02nd – 05th December, 2015)

Dear Author(s),

Thank you so much for your active interest and overwhelming response to CSI - 2015.

Ideally, 12 weeks lead time is a minimum time frame, taken by Springer, to publish the Proceedings. However, being 10 volumes of proceedings and related editing and required corrections after corrections, in multiple cycles, it is taking more time and expected that the Proceedings shall be available by **June, 2016**.

Once, it is printed, Springer shall be sending an electronic token to all the corresponding authors to enable them to download the copy of their papers (free of cost) from the Springer Web-portal. The hard copies, if required by the authors, will need to be purchased by the authors directly from the Springer.

Thanking you with best regards,

(Prof. M. N. Hoda)
